SPANISH
IN THE
PRETTIEST
CITY IN
SPAIN**

San Sebastian, a city like no other.

Its 3 urban beaches, its bay, recognised as one of the prettiest in the world, along with its cultural and culinary heart beat, make San Sebastian an unforgettable city, and the perfect setting to enjoy as you learn a language.

GASTRONOMY

Famed as the gastronomic capital of Spain, San Sebastian has more Michelin Stars per square metre than any other city in the world. One need simply stroll around the streets of the old term to revel in a culinary explosion, with the famous "pintxo" (the local form of tapas) centre stage. An unmissable destination for all lovers of fine food.

A CULTURAL CITY

San Sebastian is a city of culture and festivals, home to Spain's leading Film Festival. It also offers the chance to take in striking "Belle Epoque" architecture as you stroll around the city centre.

We have musical events throughout the year, such as our Jazz Festival in July, and the Music Fortnight in August.

The city's surroundings offer a wide variety of cultural, natural and culinary outings, in what is one of Spain's greenest landscapes.

And in case you didn't yet know, we have an age-old culture and our own language: Basque.

TRANSPORT, ACCESS & SPORT

San Sebastian is served by 3 airports. Located 20 km from the border with France, it has high-speed train links to Europe's leading cities.

The city and its region boast an extensive public transport network, and you can also get around by bike, thanks to the cycle lanes that criss-cross the whole city.

This coastal city surrounded by mountains offers a wide range of sporting pursuits, such as surfing at the famed La Zurriola beach, and hiking around the hillsides of Gipuzkoa.

60 years helping our students take on the world.

Three generations and 60 years. That is our track record teaching languages and helping thousands of people to find their way in the world, to travel, discover other places, other cultures and other experiences.

Long enough for us to become the leading language school in the city, to earn the backing of the most prestigious international associations, and create a learning method to guarantee that your journey through the world of Spanish is a successful one, and a once-in-a-lifetime experience.
